PETITION TO CORRECT INVENTORSHIP

This petition under 37 C.F.R. § 1.48(b) is to delete the names of Messrs. Tan and Milne originally named as inventors of this patent application. The new U.S. application submitted concurrently herewith, which claims the benefit under 35 U.S.C. § 120 to co-pending U.S. Application No. 09/041,371, filed March 11, 1998, no longer claims the inventions of these persons. Applicants therefore respectfully request that the inventorship be corrected to include only the two inventors whose inventions are being claimed, namely inventors Donald F. Weaver and John R. Carran.

Enclosed is a check which includes the appropriate petition fee of \$130.00 pursuant to 37 CFR 1.17(i). Please charge any underpayments or credit any overpayments to our Deposit Account No. 18-0020. A duplicate of this sheet is enclosed.
